Family Week

This September, we celebrated one of our favorite traditions—Family Week! It’s always such a fun time to come together, dress up for themed days, enjoy some tasty treats, and show appreciation for the amazing teams that make BFR what it is.

A huge shoutout to all the managers and supervisors who helped coordinate and organize the week – you made it special for everyone! We’re so proud of our teams for the energy, teamwork, and dedication you bring every day to Impress Every Guest and Serve with Significance.

Thank you for everything you do and for making BFR such a great place to work. We couldn’t do it without you!

Niles Team Shoutout

Our Niles crew brought their A-game once again for Notre Dame College Prep’s annual Don Olympics Day! The team served up an incredible 1,970 burgers to help fuel students, staff, and fans during a day full of school spirit, competition, and connection.

This event has become a great tradition for our Niles restaurant, and we’re proud to be part of it each year. Huge shoutout to the Niles team for representing BFR with such energy and teamwork. You helped make this community event another big success!

THIS MONTH'S VOLUNTEER GROUP EVENTS

- October 20th - 5:15pm-7:00pm: South Elgin Clean-Up Day
